Visit www.thinkpinkhouston.org for more information about the guest speaker, tidbits and more! Use
thinkpink@ztahouston.org to reach out if you need anything.

Dear Friends of Zeta Tau Alpha:

Houston Alumnae Association of Zeta Tau Alpha's THINK PINK! event is titled **EAT. DRINK. Pink!** and will be held at The Wynden on Post Oak on October 14, 2022. Proceeds from this year's event will benefit *the University of Texas MD Anderson Cancer Center Morgan Welch Inflammatory Breast Cancer Research Program and Clinic as well as the Zeta Tau Alpha Foundation*. Houston Alumnae Association has been supporting IBC research at MD Anderson for 16 years with over \$300,000 in contributions. MD Anderson is tremendously grateful for our help in striving to make cancer history.

We would be honored to have your participation with a donation for our Opportunity Baskets. These baskets are an integral part of our event, allowing us to collect maximum funds as we seek to continue our local and national support of breast cancer awareness, programs, education, and research. Through the years a variety of items have helped make our baskets a huge success. These donations included lunch/dinner at local restaurants, private wine tastings/dinner parties, trips to resort destinations and B&Bs, lodging at areas around the United States, and the like. Our event also appeals to our male counterparts as breast cancer affects everyone in some way. We would love donations of sports tickets/packages, cigars, hunting, fishing, fine whiskeys, bar essentials, and everything in between. Your name or company name will be included on the Opportunity Basket donation sheet given to all guests and displayed beside the basket.

Please join us in welcoming our guest speaker, Naoto T. Ueno, M.D., Ph.D., FACP, the Executive Director for the Morgan Welch Inflammatory Breast Cancer Research Program. Dr. Ueno is a professor of Breast Medical Oncology at The University of Texas MD Anderson Cancer Center. Dr. Ueno also serves as executive director of MD Anderson's Morgan Welch Inflammatory Breast Cancer Research Program and Clinic and section chief of Translational Breast Cancer Research.

For more information about **EAT. DRINK. Pink!** visit: <https://www.ztahouston.org/thinkpink>. You may complete the attached Contribution Form to document your donation and retain a copy for your files. ZTA Foundation is a 501 (c) (3) non-profit organization. Your donation is deductible to the extent allowed by law, and you will receive a receipt for your records. The tax number is available to you should you desire as well. We appreciate your generous donation and your desire to help aid in helping fund our local and national endeavors to fund breast cancer research.

On behalf of the **EAT. DRINK. Pink!** Event Committee and the Houston Alumnae Association of Zeta Tau Alpha, please accept our heartfelt thanks for your generous support!

Warmest regards,

Allison Poore
THINK PINK! Fundraising Chair
